RE: Withdrawal of Notice of Abandonment and
Revival of Application No. 09/356,313

Dear Ms. Vale,

This application has been held abandoned for applicants' failure to timely respond to the Office Action mailed January 19, 2000, which made restriction and election of species requirements (copy attached). As required for written restriction requirements, applicants faxed their response to the Patent Office's designated fax number on February 4, 2000 (copy attached). As evidenced by the attached Communication Result Report, applicants' fax was received by the Patent Office on February 4, 2000.

Since applicants' response was timely filed, applicants request that the Notice of Abandonment be vacated, and that the application be restored to pending status.
